The Honorable Board of Supervisors and the
Sacramento County Treasury Oversight Committee
County of Sacramento, California

We have audited the Sacramento County Non-Pooled Investment Fund (Fund) for the quarter ended March 31, 2023.

Our audit was conducted to verify the Fund's compliance with the County of Sacramento, Non-Pooled Investment Policy (Policy) as described below for the quarter ended March 31, 2023, and to verify whether the Department of Finance, Treasury Division (Treasury) and Investment Division (Investment) have adequate internal controls to ensure the Fund's compliance with the policy.

Non-Pooled Investments primarily consist of investments purchased with proceeds from Mello Roos Bonds (MR), Revenue Bonds (REV), General Obligation Bonds (GO), Assessment District Bonds (AD), Community Facilities District Bonds (CFD), Certificates of Participation Notes (COPs) and Tobacco Securitization Proceeds (TSP). The investment policy for the bonds is set forth in either the bond resolution, the bond indenture or by the bond insurer (governing investment policy document). The investment policy for the Tobacco Securitization Proceed is set forth in the Tobacco Securitization bond resolution and bond indenture.

The majority of the bond investments are limited to those authorized by California Government Code Section 53601 et seq. Any other authorized investments are indicated in the governing investment policy document.

Management is responsible for the design, implementation and maintenance of effective internal controls to ensure compliance with the Policy.

The scope of our audit includes all non-pooled investments for the quarter ended March 31, 2023.

The audit methodology utilized to conduct the performance audit included:

Interview:

- We interviewed various Treasury and Investment staff to gain an understanding of policies, procedures and processes for ensuring the Fund's compliance with the Policy.

Document Review:

- We reviewed the organizational chart and written documentation to understand the relevant policies, procedures and processes and to identify any internal control weaknesses, conflicts of interest, or inadequate segregation of duties.

Process Walkthrough:

- We had Treasury and Investment staff walk us through step-by-step processes related to the daily activities of the Fund. We verified whether staff had followed the policies and procedures.

Testing:

- We verified the SymPro non-pooled investment balances agreed with the custodian statements.
- We selected 11 out of total 43 non-pooled bond proceed funds, which represents 25% of the total non-pooled investments, including four (4) new issues during this quarter and an additional 7 out of the remaining 39 issues based on outstanding issues as of March 31, 2023, to test for compliance with the Policy. See ATT 1 – *Schedule of Sample Non-Pooled Investments*.
- We inspected the portfolio monitoring report for the 11 selected bonds' investments and tested for accuracy.
- We verified investments were made in accordance with the Policy.

We conducted this performance audit in accordance with *Generally Accepted Government Auditing Standards* except for paragraph 3.56 regarding our independence as described in the below paragraph. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our findings and conclusions based on our objectives. We believe that the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objective.

Sacramento County Treasury Oversight Committee

As required by various statutes within the California Government Code, County Auditor-Controllers or Directors of Finance are mandated to perform certain accounting, auditing and financial reporting functions. These activities, in themselves, necessarily impair *Generally Accepted Government Auditing Standards'* independence standards. Specifically, auditors should not audit their own work or provide non-audit services in situations where the amounts or services involved are significant/material to the subject matter of the audit.

Although the Director of Finance is statutorily obligated to maintain the non-pooled investment in the County Treasury, the staff that has the responsibility to perform audits within the Auditor-Controller Division has no other responsibility regarding the internal control or compliance of the Fund, the accounts or records being audited including the approval or posting of financial transactions that would therefore enable the reader of this report to rely on the information contained herein.

Based on our audit, the Fund complied with the Policy for the quarter ended March 31, 2023. Also, Treasury and Investment have adequate internal controls to ensure the Fund's compliance with the Policy.

This report is intended solely for the information and use of the Sacramento County Board of Supervisors, Sacramento County Treasury Oversight Committee, Sacramento County Audit Committee, and Sacramento County Executive, Treasury and Investment's management, and should not be used for any other purpose. It is not intended to be, and should not be, used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

JOYCE RENISON
INTERIM DIRECTOR OF FINANCE
